LEVI 05 / 08

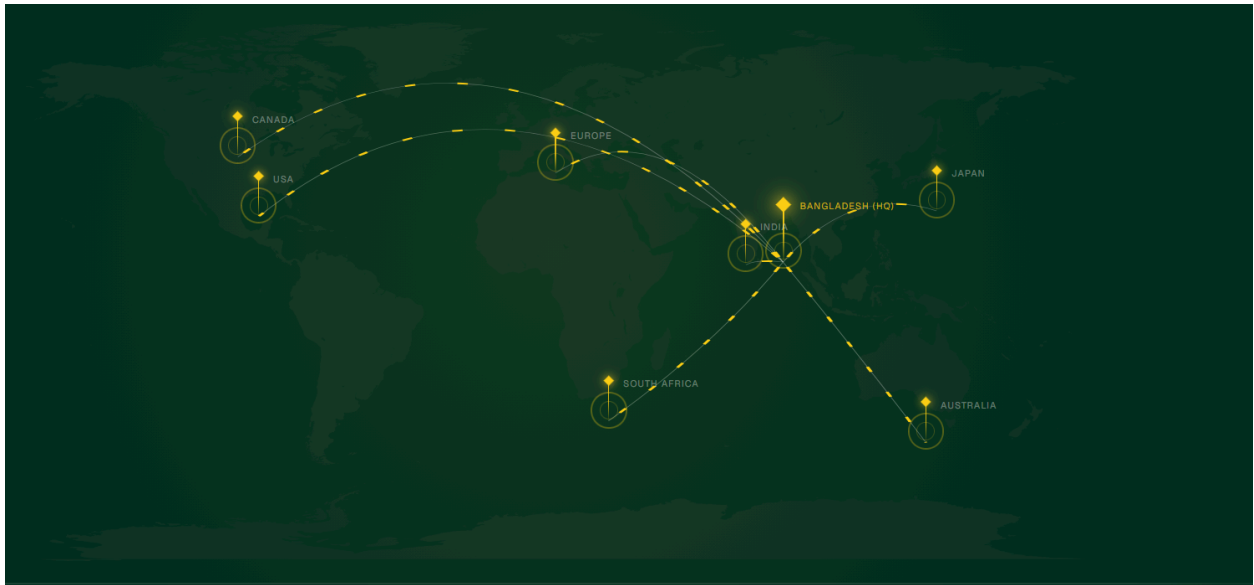

-will provide names of customers, use a different color as the gold/yellow blends into the text since it is also a smaller font

05 / 08

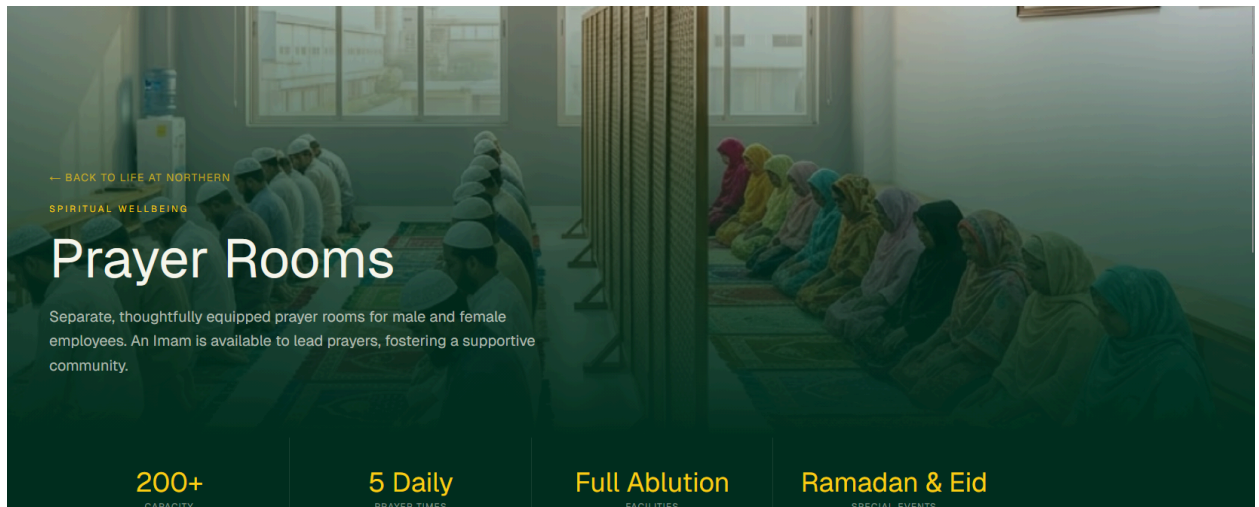

- remove this for every page

- allow user to click to the page on this scroll bar

- Make the map more clear to see, it blends in too much into the background, instead of lines continuously leading to the locations please make it so the lines lead to the markers(countrys) once and just the mark stays(removing the lines leading to them)
